College to appeal over GCSE results

HONITON Community College principal Glenn Smith will request re-marks and possibly appeal against some GCSE results.

Overall he was pleased, saying results indicate that the college continues to “add value to the progress and achievement of its hard-working students.”

But he called for stability in the exam system and said it is becoming

by Anders Larsson
anders@tindlenews.co.uk

increasingly difficult to compare performances of students year on year.

He explained: “Though students and staff have worked harder than ever before and, generally speaking, students have made expected progress.

“I would like to echo the leading educationalists who

recently called for some stability within the exam system as it is becoming increasingly more difficult to compare the performance of students year on year.

“It is no longer possible to assume that children taking examinations years apart would get the same grade for the same

standard of work.

“We have a number of students who we thought were on track to achieve C grades in core subjects only to find that they have slipped below the new boundary.

“Where appropriate we will be requesting remarks and, possibly, appealing on behalf of students who have, in our opinion, missed out because of such changes.

“In summary, though

we can't change national politics, we can and must continue to recognise and celebrate the hard work and success of our students.”

Overall, average point

scores per entry and other headline figures were similar to last year.

Mr Smith also said the college is very proud of the fact that - for the first time in over a decade -

the majority of students studied for a GCSE in a modern foreign language.

Among successful students were Katy Durrant (2 A*s, 4 As, 3 Bs and 1 C), Megan Hawkins

(2 A*s, 6 As, and 2 Bs), Brittany Lakin (3 A*s, 3 As, 3 Bs and 1 C), George Hack (1 A*, 4 As, 3 Bs and 2 Cs), Ella Symonds (1 A*, 7 As and 2 Bs) and Robert Bourne (7 As and 2 Bs).

EDDC Local Plan goes back into consultation

EAST Devon District Council (EDDC) has been forced into a six-week Local Plan public consultation after a government inspector failed the labelling of 53 changes.

The Local Plan will act as a planning blueprint up to 2026, and EDDC submitted its version for inspection on August 2nd.

But inspector Anthony Thickett ruled that 53 changes from an earlier version are “major” and must be consulted on.

EDDC had labelled the changes as “minor”, but was forced to invite public feedback through the consultation exercise, which opened on Friday August 23rd.

An EDDC spokesperson said: “The new consultation

Quotes of the week...

“ THE planning application for the Knowle had to be re-issued four times.EDDC has an extremely poor record of preparing documentation - at a large cost to the taxpayers of East Devon. We do hope that EDDC will be more circumspect in their reports and documentation in the future.”

Richard Thurlow, chairman of the Save Our Sidmouth Campaign, commenting on the news that East Devon District Council has to go through another round of public consultation over the Local Plan on the instruction of a Government inspector.

“ THIS development comes as no surprise to me or to our planning team. It is common for inspectors to call for further consultation on Local Plans submitted to them and this is only to be expected when you consider how much interest there is in the planning agenda both nationally and locally.”

Councillor Helen Parr, chairman of EDDC Development Management Committee, dismissing the decision by the Government Inspector for another round of public consultation on the Local Plan (see above).

This week's local news in numbers

60 THE percentage of students from The King's School in Ottery St Mary who achieved nine or more GCSE grades of A* to C.

£480 THE sum raised by a group of young girls from Axminster for the Devon Air Ambulance Trust, with a coffee morning organised by nine-years-old Amber Coombes whose sister, Phoebe's life was saved by an air ambulance crew a few years ago.

53 THE number of major changes in the East Devon Local Plan which has forced a Government Inspector into calling for further public consultation.

10 THE number of pupils who will return to Musbury School at the beginning of the new term with a campaign to keep the school open.

SPORT

Sidmouth denied third final victory

SIDMOUTH 1st XI went into the their Devon Senior Cup Final clash knowing that they could make history by becoming the first team to ever win the trophy three times in succession.

Opponents Exmouth, looking to lift the trophy for the first time in 39 years, had first use of the track at Plymouth CC and took full advantage as they reached 275 for 4. This proved far too many for Sidmouth who fell well short on 180 all out.

AXMINSTER 1st XI clinched an immediate return back up in the Devon Cricket League Division B with a 20-point haul against Chagford at Cloakham Lawns.

The Carpetmen went into the game knowing nine points would be sufficient to clinch promotion at the first attempt and a burst of 3 for 13 from Robbie Prior restricted the visitors to 145 all out.

Ax eased to a seven-wicket win with Matt Pile leading the way with an unbeaten 55.

Charity bike ride to China

A YOUNG Axminster man is set to leave Axminster today (Tuesday) on what should be an epic intercontinental cycling trip.

Terence Langdon, 27, is set to spend the next 18 months or so cycling solo to the Pacific coast of China.

He has been to China before although he travelled by more conventional means then.

The idea of cycling from the UK to China was formed three years ago when he was backpacking in South East Asia.

He said: "It's been on my mind since I was backpacking and met other people who were doing it [cycling from Europe to Asia]."

Terence will have break from work at his family's fossils and minerals business near Seaton.

When asked what his parents, Tony and Jacky, have to say about his lengthy and potentially dangerous enterprise, he said: "Not a lot really. It's my life and I don't have to settle down."

"Surprisingly, not many people have tried to put me off."

He spoke to *Pulman's View* six days before departure and admitted the enormity of the challenge started to sink in.

He explained: "I haven't had any second thoughts but it [the size of the challenge] is kicking in at the moment."

Although not a race, a certain level of fitness is required.

About preparations, he said: "I have quite an active job and sometimes cycle to work - and I climbed Ben Nevis a week ago."

"Anyway, you cycle yourself fit in a couple of weeks."

From a practical point of view, he has prepared by visiting relevant blogs, online forums and so on.

Will language be a problem on the trip?

"I don't think it will. You can always point at things and understand people to a level," he said.

The precise route hasn't been decided other than that he will head for Weymouth when leaving Axminster.

From the Dorset port he'll catch a ferry to St Malo and work something out from there.

Apart from the challenge itself, Terence is also looking to raise money for WaterAid.

From the editor's chair Back on reporting beat

EARLIER this month I celebrated the 50th anniversary of the first time I walked into a newspaper office as a 15 year-old, spending a couple of weeks on work experience at the offices of the *Bridport News*.

One of the highlights was being bought a pint of very weak beer shandy by sports editor Roger Bailey, who spent most lunchtimes in Bridport Conservative Club. I felt very grown up.

It wasn't called "work experience" in those days; I was just given the chance to see what life was like in a local newspaper office. I was entrusted with the cinema reports and typing out a few snippets for the news-from-the-past column.

Two years later I had a full-time job on the *Express & Echo* in Exeter and later succeeded the great Wally Fellender as *Pulman's* reporter in Axminster.

A lot of printer's ink has flowed under the bridge since then - but here I am, 48 years later, back on the reporting beat.

With Laura Goldsbury-Noye having moved on to fresh challenges, I'm back doing what I love best - getting out and about in *Pulman's Country* reporting on the various community activities.

I've been a newspaper manager for longer than I was reporter, but I've never hidden the fact that reporting is a much more enjoyable task than managing, especially in the current challenging financial climate.

We've always done our best on *Pulman's View* to get reporters out and about, a bit of a rarity these days in the newspaper industry, so to maintain this I'm having to make a greater contribution to the editorial content of our papers. So this past weekend I found myself visiting Seaton and Sidmouth several times with the start of Seaton Carnival and Sidmouth Regatta dominating our news diary.

I also attended the presentation of the Seaton In Bloom awards, a friendly occasion enthusiastically fronted by Council Val Christmas, chairman of the organising committee. Well done to all those, especially the children, who won prizes.

I spent nine very happy years editing the *Sidmouth Herald*, an excellent newspaper, so it's always a pleasure to go back to Sidmouth.

Sidmouth Sailing Club revived the regatta 23 years ago and it's good to see it still going strong and putting on some fun for the town's residents and visitors.

AXMINSTER FOOTNOTE: There is still time to get in your nominations in for our "Pride In Axminster" awards to honour those who work so hard in the community.

See details of our "Axminster Fights Back" campaign on page 16. Closing date is Friday, September 6th.

Local plan to get more discussion

EAST Devon District Council (EDDC) has been forced into a six-week Local Plan public consultation after a government inspector decided 53 of the changes were considered "major".

The Local Plan will act as a planning blueprint up to 2026, and EDDC submitted its version for inspection on August 2nd.

But, inspector Anthony Thickett ruled that 53 changes from an earlier version are "major" and must be consulted on.

EDDC had labelled the changes as "minor", but was forced to invite public feedback through the consultation exercise, which opened on Friday, August 23rd.

An EDDC spokesperson said: "The new consultation will cover all the changes made since the previous consultation - not just the 53 mentioned by the inspector."

It was stressed, however, that the consultation does not present an opportunity to comment on any other elements of the Local Plan.

The consultation document runs to 84 pages and holds 183 changes on which comments can be made by the public.

EDDC Development Management Committee chairman Helen Parr said the inspector's ruling was expected, but campaign group Save Our Sidmouth (SOS) slammed the council's "extremely poor" preparation of documents.

Councillor Parr said: "This development comes as no surprise to me or to our planning team."

"It is common for inspectors to call for further consultation on Local Plans submitted to them and this is only to be expected when you consider how much interest there is in the planning agenda both nationally and locally."

The closing date for responses is 12noon on Monday, October 7th.

SEATON

Election victory by just three votes

SEATON Town Council has a new member.

Mr Kenneth Beer, of Riverdale Orchard, Seaton, was elected at a by-election on Thursday of last week, beating Mrs Sue Woodman, of Starre Close, into second having polled 314 votes, just three more than his nearest rival.

Mr Robert Spalding, of Westcliffe Terrace, was in third place with 270 votes.

The turn-out of electors was just 15.4 per cent with 12 ballot papers being declared null and void as being "unmarked or wholly void for uncertainty".

After the election result was declared, Mr Beer said: "I would like to thank all the voters of Seaton who elected me as a town councillor and confirm my wish to represent all the peoples of Seaton both young and old. I believe my years of experience in business with large organisations such as Delta Plc, Duport Ind, and Sun Alliance will assist me in bringing some professional attitudes to running our town."

Mr Beer has lived in Seaton since 2007.

The vacancy was caused by the resignation of former councillor James Semple.

COLYTON

Council replies to social club claims

COLYTON Parish Council has hit back after being described as "unhelpful" and "underhand" in efforts to find out who owns Colyton Memorial Social Club.

In last week's *Pulman's View*, chairman of the social club, Stephen Henegulph, spoke out about his dealings with the parish council in trying to find the owner of the building, to offer security on a one-off loan the club took from Colyton Chamber of Feoffees.

He calimed the parish council had publically reported inaccuracies about the club for which they refused to apologise. Mr Henegulph said the council had been "underhand" in contacting the Land Registry after finding the club building had not been registered and were "desperate to get their hands on the building but are not worried about the club".

Council chairman Andrew Parr has now written to *Pulman's View* explaining the council's side of the story and arguing that the council has not done anything to delay the process in establishing who owns the building.

He said: "In December 2012, the social club discovered significant financial irregularities in its finances, which meant it needed to find money to repay the amounts outstanding. The social club approached the Colyton Chamber of Feoffees for an additional loan, extra to the one already provided for the installation of the windows."

"The present social club committee must accept that their financial problems are their responsibility and they can't look to the parish council to bail them out."

Plans for 180 new homes

A HAMPSHIRE-based company has announced plans to build up to 180 new homes on land at Heathfield, Honiton.

Gleeson Developments Ltd of Fleet is behind the plans and a spokesperson said: "The site is located on the south western edge of Honiton, west of the A375 Sidmouth Road, east of Hayne Lane, and to the south of the existing Heathfield residential estate.

"In common with the wider Heathfield area, the site has good links to the town's Tesco superstore, employment areas, centre, and a range of community services and facilities.

People living nearby have been leafleted by the company, whose spokesperson added: "The proposed development will have vehicular access from Sidmouth Road to part of the development, with the western sector of the development benefiting from vehicular access from Honeysuckle Drive.

"The two sectors will be linked by a pedestrian and cycle route to increase permeability between the two development areas and the existing residential areas."

"Proposals are in outline only at this stage and details of the layout, style and materials will all be determined at a later stage.

"We would like your input into the emerging

proposals so that we can incorporate your ideas and comments into the design process at this early stage.

"This is only the first step and we will keep you informed as the proposals move forward."

Folk band at Abbeyfield

MEMBERS of The Amycrofters were pleased to entertain during a coffee morning at the Abbeyfield retirement home in Honiton High Street. Resident Kathleen Stringer, who is a great fan of the band, invited them. Band members Andrew and June Mycroft said: "The folk joined in the singing and there was a lot of friendly banter in between numbers. We played some old favourites and sang some comical songs. The morning went off very well, and everyone enjoyed it."

Transport police release image of train passenger they want to find

BRITISH Transport Police (BTP) has released CCTV stills of a man alleged to have abused and threatened a train guard.

The incident dates back to Wednesday, July 3rd and the man travelled on the 10:57pm service from Exeter St Davids to Salisbury.

Investigating officer, PC Justin Hamling, said: "The guard on board the service encountered a male passenger who had no ticket and no money to buy one.

"The guard told the man he would have to leave the train but the man hid in the toilet onboard the train before leaving when the train arrived at Honiton station.

"However, the passenger subjected the guard to a torrent of abuse and threats before leaving the train.

"This behaviour was completely unacceptable and will not be tolerated by BTP.

"Enquiries have been ongoing to trace the man, who may have been trying to travel to Axminster or Crewkerne.

"I am now releasing these images in the hope that someone will be able to identify the man pictured as I believe he will have key information about this incident.

"I would ask anyone who recognises the man to contact BTP straight away."

Anyone who can assist is asked to call BTP on Freephone 0800 40 50 40 or text 61016.

You can also call independent charity Crimestoppers on 0800 555 111.

In all calls, quote incident reference B8/WWA of 23/08/2013.

Local Plan back in consultation

It was stressed, however, that the consultation does not present an opportunity to comment on any other elements of the Local Plan.

The consultation document runs to 84 pages and holds 183 changes on which comments can be made by the public.

EDDC Development Management Committee chairman, Helen Parr, said the inspector's ruling was expected, but campaign group Save Our Sidmouth (SOS) deemed the council "extremely poor".

Councillor Parr said: "This devel-

opment comes as no surprise to me or to our planning team.

"We do hope that EDDC will be more circumspect in their reports and documentation in the future."

The consultation is available on EDDC's website at www.eastdevon.gov.uk/lpchanges

EDDC is emailing everyone on its Local Plan database with an invitation to comment on the latest changes.

Where people do not have an email address on the database, EDDC is writing letters to everyone who responded to the November 2012 consultation.

The council is also writing to anyone else who is a statutory consultee or interested public body – for example parish councils, the Environment Agency and Natural England.

The closing date for responses is 12noon on Monday, October 7th.

Seaton business soars as it helps the disabled

A BUSINESS created by a Seaton woman to support the disabled with new clothing and comfort ideas has been going from strength to strength, spreading across the UK and internationally.

Ann Lomas has always enjoyed a challenge and there is nothing more challenging than stepping out of retirement to launch a business.

After seeing her mother-in-law suffering with Alzheimer's and then soon after having to assist her sister-in-law who suffered a brain injury after a serious accident, Ann found that there was a major gap in the market for clothing and textiles for those needing assisted living.

After a long career in the care sector, trading experience and a passion for textiles since she was very young, 68-year-old Ann launched her very own business in 2010 from her home in Seaton called 'Assisted Living Clothing'.

She explained: "After seeing the difficulty in clothing and dressing those who are disabled or have limited movement, I started designing clothing such as dresses, fleece wraps and night wear and soon realised that this could be a successful business.

"I have always loved sewing and being creative from a young age and with the help of my daughter Ruth, who deals with the marketing and website, and my daughter Anita who also provides support, we launched the company."

Whilst Ann created a range of clothing, one of her newest inventions has been the 'huggerug,' a wrap around blanket for wheelchair users, which comes in a range of sizes and materials from fleece designs to waterproof covers and pockets.

Coming in cosy fabrics, the product is cleverly designed to keep wheelchair users

warm and snug whilst sitting, with secured poppers at the back and behind the ankles, so the blanket won't ever get caught in the wheels.

Recently, Ann has also been able to launch a children's huggerug range with the slogan 'Big hug, small rug' which comes in a spotty fleece ladybird design, a cow print cuddle fleece design and a camouflage fleece.

All the products are handmade in Devon and Dorset for an extra finishing touch and already there has been a great deal of interest.

The charity Horatio's Garden have already benefitted from the huggerugs with the NHS purchasing a number of the blankets for their patients; product testers have been taken to the Dame Hannah School in Ivybridge, Great Ormond Street Hospital and even St Jude Children's Research Hospital in Memphis, USA.

A great believer in keeping things local, Ann has used many local models from the Seaton area to showcase her creations, with her friend Julie and youngsters Albert and Barnaby currently rocking the new huggerug trends.

Assisted Living Clothing has also sup-

ported a range of charities such as Alzheimer's UK and Ann has given away many of her products for the benefit of those suffering from disability across the UK.

Whilst currently providing their products online from their own website, and on Amazon UK, the company has just reached an agreement with local store, The Recliner Company, on Queen Street in Seaton, who will also be becoming a stockist for the 'huggerug.'

Ann added: "The business has been doing really well, and we are over the moon to have presented a children's huggerug, which can appeal to the younger market.

"We love people coming back and giving us their response to the products and it is especially rewarding when we have positive feedback and we have helped to improve someone's quality of life and comfort.

"I hope the business can grow and become more and more profitable, and whilst I will one day hand over the business to my children, I will probably still be working when I'm 80.

"It has been an exciting journey for me, and I never thought I would come out of retirement to start a business but it shows

what you can do, and with the support from the local community, I am sure we can help many more people."

How do Rear Parking Sensors work?

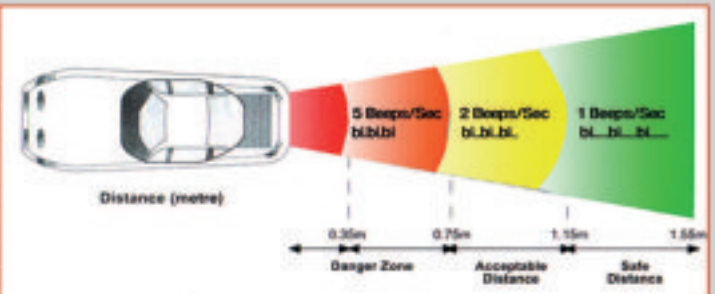

The rear parking system is automatically activated when you engage reverse gear.

Sensors are fitted into the rear bumper of the vehicle, which send and receive ultrasonic radio waves that bounce off

obstacles and alert you to their presence.

There is an internal audio buzzer that gradually increases in frequency as you approach the object. A continuous tone denotes that you are approximately 0.35m (1ft) from the obstacle.

We can also fit rear parking sensors to most vans. Call us with your vehicle details. We have a range of colours please ask for more details.

A30 car fire

FIREFIGHTERS from Ottery and Honiton were called out when a car caught fire on the A30 eastbound between Patteson Cross and Dalsymount Junction.

The alarm was raised just before 11:10am on Wednesday, August 21st.

A spokesperson for the fire and rescue service said: "Crews got to work using compressed air foam and two breathing apparatus. The vehicle was severely damaged by fire and the cause is believed to be accidental."

Freed from lift

THREE people were freed from a stuck lift in Honiton last week. Firefighters were called to Dunning Court, Dowell Street, just before 3:45pm on Wednesday, August 21st.

A spokesperson for the fire and rescue service said: "Crews rescued three adults from the lift cage using small tools."

Top grades

A HONITON teenager is heading to Cambridge University despite having problems with writing.

Penny Banks, who has dyslexia, dyspraxia and handwriting issues, secured a string of top A-level grades and won a place at Girton College to read Land Economy.

Penny gained A* grades in Maths, Economics and Physics at Queen's College in Taunton.

She has also played a part in the campaign against global hunger, having met with David Cameron in June – ahead of the G8 summit – to present him with a petition alongside comedian David Walliams.

Panto society looks for new recruits

HONITON Pantomime Society will stage an open evening on Tuesday, September 17th at the town's community college, starting at 7pm.

The aim is to recruit cast members for the forthcoming pantomime season.

Society member Dave Pickerell said: "Brush off the cobwebs, pull on your tights and shake the mothballs out of the ball gown – it will soon be pantomime season again."

"If you would like to be

involved with us in the 2013/2014 pantomime production of Jack and the Beanstalk, then you are warmly invited to attend our open evening."

The society is looking for both adults and young people as performers, chorus members, dancers, backstage personnel, costume and prop makers and front of house helpers.

Subscription rates are £10 for adults and £7.50 for young people aged 9–18 years, which should be

paid by or on the evening. Young people will need to be over nine years of age by September 1st this year, and anyone under 16 years of age should be accompanied by a responsible adult.

Mr Pickerell added: "During the open evening there will be a presentation by the director of the forthcoming production."

"Members wishing to audition for a part will be invited to put their names forward. For those new to panto or those who would

like to brush up their skills, we plan to hold drama workshops on Tuesday, September 24th and Thursday,

September 26th.

"Further details will be available during the open evening."

The 2014 perform-

ances will take place during the February half-term week at Honiton Community College.

Taking to the high seas

HONITON Primary School took to the high seas on a daring voyage at the end of last term, when the stage was transformed for their production, Pirates of the Curry Bean.

Filled with a cast of dedicated Year Six pupils, dressed from head to toe in pirate attire, the production was full of adventure and comic caper.

The play was dramatically brought to

life with vivid costumes, face paint and an exciting set, telling the story of the compelling search for Captain Swagger-sword and his buried riches.

The enthusiastic group of performers took to the stage for their last performance at primary school, celebrating their time in Honiton before they move on to their chosen secondary schools.

■ HONITON-based band The Amycrofters Plus went on tour to play at Beer Regatta.

Beer rang to the sound of The Amycrofters Plus before the start of the lugger racing on Thursday, August 15th.

Normally known as The Amycrofters, the band becomes The Amycrofters Plus when using extra instruments like violin or banjo.

Led by Andrew Mycroft on accordion, the group activated visitors and locals alike.

In honour of the day, Peter Arnold had composed a song called Beer Regatta.

Mill Water students showcase their work

■ Children from the Mill Water Community School showcase their art at the Thelma Hulbert Gallery

BUDDING artists from the Mill Water School in Honiton have been showcasing their work at the Thelma Hulbert Gallery in Honiton.

The week-long show highlighted some of their best contemporary artwork, following work with local artists at the school.

Councillor Nick Cornwell officially launched the event, alongside culture champion, Councillor John O'Leary, and pupils, governors and staff from the Mill Water School.

Councillor Cornwell commented

whilst opening the show: "I am thrilled to come to this event, the pupils have come up with some true masterpieces."

"There is a real sense of community in Honiton and we are proud that the Thelma Hulbert Gallery is supporting projects like this."

Mill Water's art week saw eight artists come to the school to work in collaboration with the pupils.

Simon Winward, teacher at Mill Water added: "The staff really embraced the idea of an art week and have worked very hard this week to ensure that every pupil had the

opportunity to be creative and learn new skills.

"The artists were warmly welcomed by our pupils and they loved working with professional artists. As a result, the quality of the work they produced has been really high."

Mill Water School pupils have also created their own magazine covers to run alongside the main exhibition of the Evolver Prize 2013 at the Thelma Hulbert Gallery. They are displayed in the Project Space and the exhibition runs until August 31st.

NCS volunteers raise funds for children's charities

A GROUP of young people from East Devon have been taking part in a special initiative aiming to bring the community together and inspire them for the future.

The group of 15-17 year olds from the National Citizen Service have been working hard on a project aiming to provide a service to the community by organising a special day of events for the benefit of local people and charities.

The government-funded scheme to boost community cohesion began with two weeks of residential activi-

by Laura Goldsbury Noy

ties, aiming to ensure the group bonded together, featuring outdoor activities, challenges and skills.

The group had just one week to plan an event for the community, designing and facilitating the project on their own – from choosing activities and providing refreshments to choosing charities and ensuring their was sufficient publicity.

The dedicated fundraisers were donated the Honiton Youth Centre building by the Devon Youth Service

for the duration of their project where, their work ended with their main event – a fun day fundraiser complete with homemade cakes and treats, stalls, bric-a-brac, games, face painting and hair braiding.

People from across the community came along to show their support, helping to raise money for the group's two chosen charities – Brainwave and the Children's Bramble Ward at Exeter RD&E Hospital.

To say thank you to the Devon Youth Service and the people of Honiton, members of the NCS cre-

ated a colourful mural on the wall of the youth centre, to remind those who use it of the lasting impact of their project.

Honiton's mayor, Councillor David Foster, was one of many who attended the event.

He said: "It has been fantastic to see young people enjoying this kind of service in such a wonderful way."

"The group have worked hard to put on the community event to benefit the two charities and have put all their efforts into making their main day's event a success."

"It shows that people's conceptions

of young people can be so wrong, especially with this group who are dedicated and ambitious youngsters. I am pleased they have integrated so brilliantly into the local community."

Commenting on her involvement in the project, 16-year-old Vicky Borraston said: "When I started out, I didn't know any of the group and I was pretty shy, trying to hide in the background."

"I have made so many friends whilst taking part in the community project and have loads more confidence now, so I would definitely do

it again and would encourage others to take part. I would even quite like to volunteer as a helper next year."

"I always had an idea that I might like to be in the police force and this project has helped me to see that this would be a brilliant career decision for the future."

Teams from throughout Devon from the NCS project will take part in a special graduation ceremony in Exeter on August 19th.

The group will also leave behind a community book at Honiton Library for people to leave their comments.

■ FUNDRAISING VOLUNTEERS: Members of the NCS project at their main fundraising event

■ FUN AND GAMES: From hair braiding and face painting to baked treats and games, the group worked hard to ensure their fun day was a success

Beach comes alive for raft race fun

BEER'S Regatta Day took place on the traditional Thursday beginning with the annual sailing races for cruisers, Beer luggers and working boats.

Whilst there were concerns that the grey, drizzly weather would spoil the event in the morning, the sun soon beamed through the clouds bringing with it a whole host of successful races.

Next the beach was transformed with crowds swarming

by **Laura Goldsbury Noy**
laura@pemediia.co.uk

down toward the shore for the best-decorated raft, which this year included a series of races—first for children, followed by ladies and men's competitions.

With what appeared to be a record number of rafts, support was huge for this year's raft event.

Themes included everything from films 'Despicable Me' and

'Top Gun', to traditional Beer sea-side themed rafts. Some were so big that they had to be transported to the beach by tractor.

The children's race was won by raft 'Oh I Do Like To Be Beside The Seaside', whilst 'Animals' took first place in the ladies and a gigantic Eddie Stobart raft won the race in the men's category.

Fancy dress was also a major event on the day, with hundreds piling into the Mariners Hall for the children's fancy dress com-

petition and parade, which was led by the Karizma Majorettes.

The parade was followed by the presentation of cups and tro-

phies on the top cliff, including a very special 'Millennium Award' going to a surprised villager and dedicated Beer Regatta chair-

man, Kate Boalch.

The day finished with a grand fireworks extravaganza on the beach.

Specialist Dementia Care in Exmouth & Devon

Give Your loved One The Gift Of A Fulfilling Life At Rose Lodge Care Home

Imagine the peace of mind you'll feel knowing that your loved one is getting the best possible care in a loving and understanding environment. Located in the delightful seaside town of Exmouth, Rose Lodge is the perfect place for people living with Dementia to experience the highest quality of life.

Caring for someone with dementia yourself can be tiring and often very distressing. Coping with someone whom you may have known and loved for years but who may now often fail to recognise you can be desperately upsetting and difficult to deal with.

Rose Lodge is an active and social home. We have found that people with dementia are generally happier when they are supported to be as active and independent as possible. Our weekly activities programme includes gardening, live music, drama, singing, crafts, a pub quiz, rambling, art, and trips out, as well as individual occupational activities.

So, moving into a home like Rose Lodge is the perfect way for you to give your loved one the best quality of life. In our 2011 relatives survey, all relatives agreed that Rose Lodge offers an excellent quality of care and that their loved one's wellbeing has improved significantly since they joined Rose Lodge. All of them said they would recommend Rose Lodge to their friends.

We offer DAY CARE, RESPITE CARE and RESIDENTIAL CARE and free trial days.

Please call Peter or Karen now on 01395 227071 to discuss your needs.

One Night Only

Saturday 5th October 2013

THE 2013 show featuring the Military Wives, Shute Community Primary School and many more interesting and entertaining acts will be the last under "4 One Night Only". One Night Only started in 2009 with Variety and Fashion Show which was an overwhelming success and although it was meant to be a one off show, the generous support given enabled me to continue for 2010, 2011. After 30 years of fundraising for all manner of charities and raising in excess of £70,000 (and still counting!) alas all good things have to come to a close. So please help me make this another big event, don't miss out! Thank you

Karen Bostock (nee Chapman) — Organiser

The Military Wives will be attending and performing 'Sing'

We are very pleased to announce two further celebrities to add to our increasing line up for the show this year. The compares for the evening will be Screenwriter Mr Brian Fillis and Actor Mr Alan French, who some of you may remember from our first show in 2009.

Brian is the writer of "Fear of Fanny" based on Karen's grandmother Fanny Cradock, and has recently wrote the movie "An Englishman in New York".

Alan played Fanny Cradock in the 2009 show and in "Fear of Fanny" besides being in Emmerdale, Hollyoaks and much more.

We are delighted to welcome Honiton Gymnastics Club who will be performing at 4 One Night Only, with performances from national and international medallists and south west champions.

Their performances combine traditional gymnastics skills with striking choreography and circus-style acrobatics, so you'll be treated to something creative and spectacular. (www.honitongymclub.org).

East Devon Music Studios is locally based and specialises in music tuition and live performance as well as 2 full recording studios.

Nik and Sarah Ryan are both professional musicians and have over 20 years experience in the music industry recently working with Marillion, Caro Emerald, Black Rebel Motorcycle Club and Chase & Status amongst others.

Sarah has been busy rehearsing with members of her "Sarah Ryan Music School & Pupils from Shute Community Primary school" who will be producing some great sets for you incorporating solo performances, singing and dancing, a duet from "Tangled" and The Teachers and Staff from Shute Community Primary School.

Jason Hill and Mark Rowe (pictured far right), the Axminster comedy duo are returning for the second time to 'One Night only'. The critically acclaimed retired young farmers were trained at the exclusive Axe Valley School drama department. Upon leaving the School they turned their attention to the Axminster Young Farmers and performed in many club productions reaching the dizzy heights of the East Devon Final... Never winning but with the only disqualification in history meant they were destined for bigger things. Comedy sketches followed and the boys are now regular visitors to the Guildhall! Sit back and enjoy the off the cuff unscripted mayhem that pursues, bad jokes, bad acting and even worse singing make for a performance you will not forget... even if you want to!

The Military Wives will be attending our show, not only performing some of their amazing songs to entertain you, but have agreed to sing with the children and cast of the show the single written by Gary Barlow and Andrew Lloyd Webber "Sing".

Military Wives are a British choir group formed of wives and girlfriends, service woman and affiliates of British Military personnel and are located around the country.

The choir performed at the opening of the Olympic Stadium in London ten choirs contributed to the Gary Barlow and Andrew Lloyd Webber single written to mark the Diamond Jubilee of Elizabeth II. This single, entitled Sing features voices and instruments from across the Commonwealth and features the Military Wives as the backing track and representing the UK. Fight to take over Stockland's pub boosted by new legislation

THE fight to take over a village pub was boosted when the building was listed as an Asset of Community Value under the the Community Right to Bid, part of the Localism Act.

The King's Arms in Stockland is currently closed but villagers hope to buy the building and run a co-operative pub.

The listing as an Asset of Community Value has been confirmed by East Devon District Council and means the building's owner, Horatio Properties Guernsey Ltd., cannot offer it to another buyer until a moratorium period ends on February 9th next year.

However, a listing does not restrict to whom the owner can sell, nor at what price – it simply gives Stockland Parish Council time to put a bid together.

According to The Stockland Community Pub Group (SCPG), which was formed when the parish council met on Thursday, August 15th, the building is currently on the market for £800,000.

A statement issued by SCPG said: "SCPG would seek buy it [the building] by forming a type of co-operative called a Community Benefit Society. This allows us the chance to fund the purchase by a combination of a share issue and by attracting charitable donations.

"In the near future we will be explaining how this purchase will work and how you can become a part owner

BMW catches fire

A FIRE broke out in a BMW car travelling on the A35 at Kilmington in the morning of Friday, August 9th.

Police and firefighters were called at about 10.30am and a spokesperson for the fire and rescue service said: "One appliance from Axminster was mobilised to reports of a vehicle on fire.

"On arrival crews discovered one vehicle well alight. Crews extinguished the fire using two breathing apparatus, two hose reels and small tools.

"The vehicle was severely damaged by the fire."

The cause of fire was not mentioned in the report.

of an asset that will be secured in law for the future of our community. It's important to note that shareholders will not be asked to run the pub as volunteers.

"An experienced professional (or team) will be sought who will take on the tenancy and pay rent. They will be given clear guidelines on the kind of pub the community owners wish to see.

"There may also be space for other facilities, if we wish and they could be viable, such as a small shop or café."

SCPG is described as an informal group comprising Damian Clay, Martin Gubdry, David Kempton and Peter Maitland.

It is understood more residents are about to formally join the group and the parish council has called a public information meeting for 8pm in Victory Hall on Tuesday, August 27th.

The SCPG statement concluded: "This kind of venture has been successful in other villages: there are currently dozens of co-operative pubs in England, Scotland and Wales.

"There is a lot of support to help in the bid process and in finding suitable tenants. Many of the pubs that are already running under community ownership have been set up with the support of a charity called the Plunkett Foundation. Will The Kings Arms be next?

"There is a lot of work to be done to be able to make an offer but an important first step is to get your feedback on how you feel about the pub and how you might use it if the community were able to purchase it as well as compiling a register of potential investors.

For further details about the project, please contact Damian Clay on 01404 881833, Martin Gubdry on 01404 881370 or Cathy Gardner on 01404 881106, or drop an email to scpg2013@gmail.com.

Expectations exceeded at Feniton

Organisers of Feniton Flower Show had to think on their feet as the number of entries exceeded expectations.

The show was held on Saturday, August 17th and show committee member Val Jones explained: "Support was overwhelming with more than 400 entries, nearly double the usual number.

"This led to the organisers having to quickly revise their staging arrangements and expand the show into the bowling club as well as the usual venue of the village hall and annexe to adequately display all the exhibits."

All sections saw an increase in entries, particularly in the children's classes which included animals made from fruit and vegetables, gardens on a plate and birthday cards.

When asked why she thought there was such a surge of entries, Mrs Jones said: "Feniton as a village is under a great deal of pressure from developers, as you probably know, and the opposition to mass development in the village has actually drawn the people together.

"I think it was a statement from villagers that they want Feniton to remain a village and not develop into a town." The flower arranging saw some beautiful displays and the cookery section is reported to have "completely exceeded expectations".

The Acland Cup for the most points in the show was won by John Partridge and the Acland Bowl for the runner-up was won by Adam Carnall. John Partridge also won the Bolt Cup for the most points in the flowers section, the Countrywide Store voucher for the best vegetable exhibit by an allotment holder and the Burnham Nurseries voucher for the best exhibit in the Flowers Section.

Adam Carnall won the Ted Pyle Cup for the best vegetable collection, with Ann Partridge winning the Roberts of Ottery voucher for the best novice vegetable collection.

The Dahlia Cup for the most points in the dahlia section was won by 95-year-old flower show president, Ted Pyle, with the Sidmouth Garden Centre voucher for the best entry in this section going to Mike Hawkins.

In the flower arranging, the Gardiner Cup for the most points was won by Maggie Pipe who also won the Pres-

ident's Cup and the Dillys Florists voucher for the best exhibit. Flower show secretary Les Ley beat the ladies to take the cup for the most points in the cookery section where entries were strong. The Mary Richards Cup and Mole Valley Farmers voucher for the best exhibit in this section was won by Christine Bishop.

In the children's classes, the Junior Cup and a family entry to Escot for the most points (aged under 10) was won by Oliver White. Gemma Palfrey won the Ted Trim Cup and a family entry to Escot for the most points in the 11-16 age group, and also won the Honiton Toy Shop voucher for the best overall entry in the children's classes.

In the handicraft section, The Eva Reeves Cup for the most points was won by Margaret Imms. The David Lake Cup for the best exhibit went to Don Conbeer with his wood carving of the green man, which also won him the Axminster Tools voucher for the Woodcarving Class and the Coles of Ottery voucher for the best exhibit by a man.

Maggie Pipe won the Coles of Ottery voucher for the best exhibit by a lady in the handicrafts section.

A new competition initiated this year, and sponsored by One Man and His Mower, was the Best Garden within Feniton postal area. The competition was split into two classes, over 100 feet and under 100 feet, and was judged during the previous weekend. Winners of the large garden were Mike and Sue Hawkins and of the small garden Edward Cox.

The parish council awards for the best front garden and best allotment, which is a separate competition organised by the parish council and judged throughout the year, were won by Mr and Mrs Edwards Cox of Canterbury Close, and David Baker with plot 13.

Mole Avon Celebrates 40 Years

Our Story

The 1st August marked a very special day in the history of Mole Avon as we celebrated our 40th anniversary. The day was marked with celebrations at our Crediton, Okehampton and Axminster branches – as well as a special occasion at our stand at the Honiton Show.

Mole Avon Limited, as it was first known, was formed on 10th October 1966 as an association of two farmer-owned buying groups in Devon – Mole Valley Farmers in the north and Avon Farmers in the south who saw the opportunity in the Mid Devon area to set up a similar business. One year later, it had 260 members and a turnover of £71k.

It moved to its current location on Mill Street, Crediton in 1970 under the management of Ted Cripps and it became Mole Avon Trading Limited in 1973 when the control and running of the business was transferred to local people principally from the Mid Devon area.

While the Okehampton branch started in the town in 1975, it moved to its current location in 1979. The site has retained a forecourt over the years which too has expanded.

The Axminster branch opened in November 1978 on the railway sidings initially rented from British Rail and has

benefited from the acquisition of adjoining land over the years. After its latest £½M refit and extension last year it now offers 20,000 sq ft of retailing space.

And so to the present day. Turnover exceeds £23M, we have 2,300 members and shareholders with a choice of 20,000 stock lines in our stores. Our direct to farm services continue to grow as does our Forecourt.

Our philosophy of providing the best value for money across a diverse range of products, combined with the highest level of customer service, does not change.

This could never have been made possible were it not for the dedication, knowledge and welcoming attitude of our staff and the support and loyalty which our customers, members and shareholders have shown.

Here's to the next 40 years!

Delay on Local Plan could have been avoided by district council

■ EAST Devon District Council's Draft Local Plan has been returned to them almost immediately by the government inspector who has to deal with it.

Why? Because the inspector says that EDDC changed its plan significantly after consultation and before submission, and now 53 points added within that period must be consulted on, including plans for the Knowle re-development.

In 2009, a report was published at EDDC that predicted totally what would happen if EDDC continued to deal with the Local Plan in the way they were doing at the time. All the things they predicted might go wrong have gone wrong - see <http://bit.ly/14KmBAq> - but this was totally ignored.

Then East Devon Business Forum muddled the waters with its insistence on spending months and months finding ways to increase the amount of employment land in the plan (this group was chaired by disgraced ex-councillor Graham Brown at the time), while EDDC patiently sat on the sidelines and waited for them to produce the report that they wanted, rather than take the advice of two other independent reports they had themselves commissioned which, in one case (Atkins), EDBF disagreed with and, in the other (Tym), EDBF never even discussed Sidford Fields, changes to the Knowle plans and 51 other changes were slipped with no public discussion as EDDC considered these changes minor - the inspector disagrees and says they were major.

It should be noted that independent councillors pointed out the dangers of the changed plan but, again, they were ignored.

I find the comments of Councillor Helen Parr, chairman

of the Development Management Committee, on this matter unbelievably confusing. First, they do not make much sense at all: "This development [needing to consult again] comes as no surprise to me or to our planning team."

Why not? They and you made a major, basic error. If you knew this might happen, why submit?

She then goes on to say: "It is common for inspectors to call for further consultation on Local Plans submitted to them and this is only to be expected when you consider how much interest there is in the planning agenda both nationally and locally."

I confess I am at a loss to understand exactly what this means. Does she mean that it is only interest in the planning process that has led to the inspector dumping the plan back with EDDC?

No, it is because EDDC did something wrong, something it should have anticipated, indeed did anticipate but which it chose to ignore.

Meanwhile, developers continue their free-for-all because we have no Local Plan and no six-year land supply. Is this what EDDC wanted? I do hope not.

And all of this could have been avoided had EDDC had the right people on the job at the right time, and if the leader, the CEO and the various chairs of the Development Management Committee had stopped being blinkered and started being pragmatic and sensible.

Politics and self-interest were allowed to intrude and we are all paying the price.

'Bah humbug' strikes again!

■ I READ your article about Seaton's Christmas lights and Seaton Town Council with some amusement.

We have been down this track before as their town minutes will recall.

Going back a few years to co-ordinate the Seaton celebrations, Seaton Town Council formed a committee which was chaired by Councillor Angela Harrison and representatives from Youth Centre, Chamber of Commerce, Rotary Club and Council of Churches, etc. and all played its part in celebrating Christmas in Seaton including fundraising of the £6,000-£8,000 required to fund it.

This all worked very well until about five years ago, when a councillor said at a council meeting that it was up to the shops in Seaton to fund the event and the council withdrew its support. This, plus misinformation being given by the then town clerk, led to the demise of the

committee and full praise must go to the present Chamber of Commerce for taking up the mantle over the past years.

But now "Bah Humbug" has repeated his words and, as for declaring an interest for being a shop keeper in Seaton, I think a declaration for being anti-Christmas would be more appropriate. And how do I know all this? I was for quite a few years, the Chamber of Commerce's plus Youth Centre representative on the Christmas committee and felt honour bound to pay personally the £600 outstanding debts of the said committee.

So all I can now ask is, come on Seaton, let's have a happy Christmas.

Changes an insult to hospital fundraisers

■ AS one of the many League of Friends fundraisers who work tirelessly to raise money, do voluntary work within the hospital, I agree entirely with Janet Lang's letter of August 6th ("Don't lose our hospital in NHS reorganisation").

We have seen the closure of half the hospital beds over the past couple of years. That means patients are being kept in the major hospitals a lot longer than necessary, instead of being put in the care of their GP and receiving the nursing care they need in Seaton Hospital until they are able to return home, thus freeing up beds in the major hospitals - we have beds in Seaton!

The beds in Seaton Hospital that have been made off limits have alongside of them all the associated expensive

modern equipment, i.e. special mattresses, chairs, baths, commodes, etc. funded by generous contributions via the League of Friends. It is disgusting that all this has been locked away gathering cobwebs in the rooms they are situated in.

Do we have a shortage of nurses? I do not think so. Once again we have a false economy working here. It is an insult to all who have given hard earned cash over the years towards helping to build up a 27/28 bed hospital to see it slowly being eroded by bureaucratic changes.

Combined effort needed to make Honiton best in west

■ IT is 15 years since I returned to the west, the home of my ancestors and my wife, Henrietta, is a born native of Devonshire.

I envisaged, when we came to live in Awliscombe, that Honiton was still a country town loved and preserved by its inhabitants and that our rulers, who had the ability to further its good reputation and appreciated how it had sympathetically developed from a rural community, would continue to retain the charm of its building of another age which is a magnet to the travelling public.

Instead, it seems, that the town has been allowed to deteriorate in its beauty with incongruous buildings, shop fronts, signs and poor street furniture all reminiscent of some London suburbs.

Honiton must again become a town which will draw

people to admire its intrinsic virtues. Where essential to reconstruct or build premises of architectural merit which would live side by side with their Georgian forebears.

Maybe it is too late to control the influx of supermarkets but it may have the affect of encouraging specialised traders such as saddlers, cobblers, coopers, hardware, china and craft shops to the town centre.

It requires the combined effort of everyone in the locality to make Honiton the best town in the west. We live in one of the beautiful valleys of Devon, let us keep it that way.

Praise due for local medical services

■ WITH all the media attention to the adverse aspects of the NHS, I am hopeful that you can publish this as a case where praise is more than due.

In July I was admitted to the Royal Devon and Exeter Hospital (Wonford) Ear Nose and Throat Department for an operation on my throat. The resultant improvement in my well-being has been brilliant and this could only be achieved with the first class service I received from all

of the staff, both at RD&E and our local practice.

I cannot thank them enough for all their efforts and, if national media reports are correct, say how lucky we in East Devon must be with our local medical facilities.

Our weekend in Beer could have been a misery were it not for their ready smiles and friendly concern for us to have a lovely weekend, despite the problems with our car.

During what turned out to be tricky repair, they were happy to ferry us to Beer and back, enabling us to enjoy

GCSE students jump for joy!

■ **CELEBRATING SUCCESS:** Top students jump for joy and, below, it was all smiles for Year 10 students

Have you got a story for Colyton or Colyford?
Contact Francesca Evans on 01297 446154
or email francesca@pemedial.co.uk

AFTER successfully topping the national league table for GCSE last January, students at Colyton Grammar School are celebrated further improvements in their exam results last week.

More than half the year group collecting their GCSE results on Thursday achieved five or more top A* grades, in a year when 49.4 per cent of the GCSE grades obtained at the school were A* (up 4.1 per cent on last year).

A total of 83.4 per cent of all GCSE's awarded to the Year 10 students were graded A* or A, up 2.7 per cent on last year.

Headteacher Paul Evans said: "It is becoming increasingly difficult to predict the outcome of our public examinations due to the political pressures to tighten standards nationally. In a year when we are told it is more difficult to achieve top grades, we increased the A* and A grades.

"It is a great relief to see that through hard work and determination, our students have maintained high standards and delivered the results that will set them up well for sixth form study and beyond.

"No one should underestimate the effort required to achieve high numbers of top grades across a range of subjects and the students should be very proud of what they've managed to achieve."

Students at Colyton Grammar take their GCSE exams a year earlier than most schools, to give them an extra year to prepare for their A-levels.

Particularly impressive performances included the following students who received A*s in all 12 subjects:

Josie Argyle from Exmouth, Theo Brown from Ottery St Mary, Chrissie Browne from Newton St Cyres, Elle Clemens from Exeter, Hannah Dell from Sidmouth, Amy Elford from Axminster, Zoe Kuyken from Exeter, Kyle Silver from Honiton, Charlie Spicer from Whimple, Matthew Von Lany from Broadclyst and Emma Williams from Seaton.

Council sets aside £19k for play area in Colyford

By Francesca Evans
francesca@pemedial.co.uk

PARISH councillors hope a play area in Colyford can be created with £19,000 funding from local developers.

The £19,000 has come from Section 106 money, which has been offered to the local community as a benefit of recent housing developments in the area.

Colyton parish councillors secured the funding at last week's meeting when they officially agreed it should be spent on the play area for the village, which does not currently have a similar facility.

Parish councillors and Mayor of Colyford, Howard West, said he had been in discussion with a landowner in the village

regarding the play area, but this had to remain private, as negotiations were ongoing. He added that they would not be able to buy the freehold of the land but could rent or lease it for little money.

Jamie Buckley from East Devon District Council said this would be acceptable as long as it was a 10-year lease.

It was agreed to move the project forward with a small working party of parish councillors and officers from East Devon.

Londis coming to town soon

A NEW Londis store will be opening in Colyton shortly.

Mick and Sharon Price, who recently moved to Colyton from the Midlands, will be opening the shop in the former premises of Wilkies convenience store in Market Place, which has stood empty since last October.

A final opening date has not been confirmed, as Mick and Sharon are overseeing

a complete renovation, including new floors, ceiling, lighting, shelving and shop front but a fun day with activities for the whole family and special offers will mark the opening.

Mick and Sharon previously ran a Spar shop. They have been visiting Colyton for eight or nine years and hope to offer a high standard convenience store with a little extra, including in-house bakery.

Only one crime reported in August

ONLY one crime was reported in the Colyton area during August, as of August 19th.

The police's mid-month report only

listed one incident in Colyton, a burglary at a residential property on South Street on the 7th or 8th when jewellery was stolen.

Special coaching for young players aged 8 to 15 on the Anning Road playing field on Saturday, September 7th 10 am to 12 noon by Julian Dicks.

Fee: £5 to include signed certificate by Julian Dicks plus trophy for most promising youngster.

ALL PROCEEDS IN AID OF LYME REGIS FOOTBALL CLUB

An evening with one of football's big names

ONE of the most feared defenders in modern-day football will be the guest speaker at a sporting dinner being organised by Lyme Regis Football Club.

Former West Ham United and Liverpool full-back Julian Dicks will be appearing at the function to be held at the Woodmead Halls on Friday, September 6th.

Dicks was nicknamed "The Terminator" because of his ferocious tackling and competitive nature during a 14-year professional career cut short by injury.

Born in Bristol, Dicks started his football career with Birmingham City for whom he made 89 appearances between 1985 and 1988.

He was transferred to West Ham United for a fee of £300,000 in 1988 and went on to play 159 games for the Hammers and scored 29 goals, captaining the side at the age of 23, before Graeme Souness took him to Liverpool in 1993.

The move to Anfield was not a successful one for Dicks (although he was the last player to score in front of the standing Kop end) and he returned to Upton Park a year later, staying at the club until 1999, having made a further 103 appearance and scoring another 21 goals, many of them penalties.

Dicks played for England Under 21s and the England B team but never got a full international cap.

After retiring from first class football Dicks tried his hand at managing with Wivenhoe Town and Grays Athletic and also became a professional golfer but had to give this up because of a knee injury.

Dicks is now a respected and much-in-demand coach and will be taking a session for the Lyme Regis Youth section players on the Anning Road playing field on the morning of Saturday, September 7th for a fee of £5 per player, which will include a signed certificate and a trophy for the most promising

youngster. At the sporting dinner, Dicks will be interviewed by Tony MacDonald, editor of the West Ham United retro magazine EX, to be followed by a question and answer session. There will also be an auction of football memorabilia.

Tickets at £15 each include a two-course buffet supper and are available from the View from Lyme Regis office on 01297 446155.

All proceeds from the function will go to Lyme Regis Football Club.

The club is also looking forward to playing host to the **Arsenal Celebrity X1** who will be visiting Lyme Regis on Sunday, August 24th 2014.

Pulman's View

from the

churches

With NIGEL SPELLER

JOHN Streeting, Axe Valley Mission Community, leads: "It seems almost impossible that summer is nearly over. However, I always think that the one compensation is that September is a time for new beginnings. Most obviously this is true for those involved in the education system, with the start of a new academic year.

"It is both exciting and daunting to think how much can change in the space of 12 months. For example, my younger son is about to begin his final year at school and faces the ordeal of A-levels and university entrance in the coming months.

"It is also an exciting time in the life of the church as new projects and activities get under way. At the Minster we are beginning the process of reordering the church, giving it a face lift and making it a more effective resource for the community. I look forward to reporting more later."

News of interest in East Devon has just broken at Westminster. The Venerable Doctor Jane Hedges (formerly Rector of Honiton Parish and Mission Community) has now been appointed Sub-Dean of Westminster Abbey in addition to her existing posts at the Abbey. In her new role she ranks next to the Dean. We offer her very best wishes in this new additional appointment.

The past week has seen a successful Flower Festival at Colaton Raleigh which ended with Songs of Praise. The church is famed for its Sgraffito on interior walls and is worth a visit.

As this issue comes on Tuesday, August

27th, it is ready for the Community Café at St Andrew's Colyton in the Sunday School Building next to the church; from 9.30am-11.30am - all are welcome.

St Paul's Church Honiton has its final lunchtime concert on Friday, August 30th and the next cake stall for church income is on Saturday, August 31st.

Also on Saturday, August 31st the church of the Holy Cross have cream teas at Axminster Vicarage.

The Axe Valley Mission Community with its six parishes, is hoping to publish their first half yearly Team Magazine in September which will enable churches to announce events better and earlier.

At the church of the Holy Family Honiton on September 15th a Youth Rally will be held for 8-17 ages, details of all activities available shortly.

HMRC has published its guidance for charities on the Gift Aid Small Donations Scheme (GASDS). The purpose of the GASDS is to allow churches, charities and CASCs to claim a Gift Aid style payment on small cash donations - e.g. collections during religious services. Small donations are those of £20 or less, given in cash: coins or notes.

The GASDS does not require individual donors to complete a Gift Aid declaration, nor does the recipient have to provide the donors' details with the claim for payment. The CoFE Parish Resources website has a helpful guide to Claiming Gift Aid.

JOHN Montgomery lives in Sidmouth and was recently selected from a school there to become acting head at Musbury Primary School, near Axminster.

Falling pupil numbers mean Musbury Primary School is under threat of closure, but Mr Montgomery is determined to prevent that.

● **WHERE were you born, where did you grow up and where do you currently live?**

I was born in Torquay, grew up on Dartmoor and Tiverton and I now live in Sidmouth.

● **TELL us about your professional background...**

Before teaching, I worked in electronics and retail and then for a local newspaper for a while. I took my Bachelor of Education degree at Rolle in my mid-twenties and then moved to Essex with my wife and two daughters where I taught in some challenging schools for ten years. When I returned to teach in Devon, I came back as an assistant headteacher. I took my National Professional Qualification for Headship a few years ago and am now in the final stage of my Masters in Education.

● **HOW did your appointment at Musbury Primary School come about?**

At the very end of last term, I was asked by my headteacher if I would be interested in stepping in to help Musbury Primary School as he had been approached by the county with the view to arranging a management partnership. I was keen to accept and under this arrangement I am on a secondment. My title is acting head of school and the management partnership means we have additional resources available when needed.

● **DO you have any previous knowledge of the school or is it a completely new to you?**

I had very little knowledge of the school. I was keen to spend plenty of time at the school once I knew I was taking it on and I have met with some of the local people, parents, governors and staff.

● **THE school's future is being consulted on. How will you prevent its closure?**

You may have realised that local people are extremely keen to keep the school open. The school is most certainly open in the autumn term. Since the end of last term we have already had new children enrol who are due to start at the school in September. The coffee morning at the beginning of August was the first step, which provided parents with the opportunity to meet me and I am happy to say, none of the parents removed their children following that meeting. A few of us involved with the school have had a number of meetings already discussing ideas and strategies. There will be some publicity to follow, so watch this space.

● **DO you have a medium to long-term vision or is it a case of keeping things ticking over until a decision on the school's future is made?**

In the first instance I will be concentrating in getting things right for September. Due to maternity leave, another teacher will be starting at the school part time and, as she is Forest School trained, she will be making good use of the two acres plus of school grounds. As an enthusiastic advocate of fun in and out of the classroom and active learning, I plan to make good use of the enviable resources at the school. I wait with bated breath for the powers that be to make their decision, but I feel that this school will be a happy place whilst I am here.

● **WHAT is your vision for the school?**

60
seconds

Learn from the past, delight in the present and prepare for the future.

● **FOR how long is it manageable and feasible to, in effect, be in charge of two schools?**

As I am released from my previous school on secondment, I am solely working at Musbury. My role at Sidmouth was as an assistant headteacher and they have made plans to cover my responsibilities to allow me to fully focus on the job in hand.

● **WHICH was your favourite subject at school?**

Drama was my favourite subject whilst at school, as it was something I had a natural talent for. Anyone who knows me will also testify that I am mildly obsessed with music and singing in particular and have been from the age of nine. I am a lead singer in the Sidmouth Gospel Choir and am usually involved in music at any given time of the year. I chose drama and the expressive arts as a specialist area

✿ Traditional Acupuncture

Acupuncture can improve & maintain health & energy & enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Cath du Preez MTI

Registered practitioner and full member of the Massage Training Institute (MTI) and the Complementary & Natural Healthcare Council (CNHC)

MASSAGE is a hands-on, holistic method of health care.

Massage therapists use hands-on techniques on the muscles, fascia, tendons, ligaments and joints to bring relief from everyday aches, reduce stress, increase relaxation, address feelings of anxiety and tension, and aid general wellness.

Massage therapy also treats specific physical and medical conditions by releasing muscle tension, restoring muscle and postural balance, increasing circulation and improving tissue nutrition. Therapeutic massage can effectively

treat long term chronic pain, motor vehicle accident rehabilitation, athletic injuries, repetitive strain injuries and nerve impingements.

It can also be used in support of other therapies to assist in the rehabilitation of muscular injuries i.e. massage can improve the effectiveness and comfort level of chiropractic or physiotherapy care.

Massage can also be an important part of a preventative maintenance program. For long term health, consider a maintenance plan of monthly treatments. This approach works well when you are at a level of health that you want to maintain. The monthly massages take care of minor aches before they become painful problems.

Hypnotherapy can help you improve sleep and can impact on your health

ACCORDING to recent medical research, regular fulfilling sleep can reduce the risk of cardiovascular disease (CVD) and primary hypertension in the same way that exercise, healthy diet and quitting smoking can. A recent study published in the European Journal of Preventive Cardiology found that people who enjoy a relaxing night's sleep can significantly reduce their chances of being affected by cardiovascular disease. If this is combined with a healthy lifestyle, results showed that people have a 57 per cent lower risk of CVD both fatal and non fatal and are 67 per cent less likely to die from the illness.

In response to these latest findings Michelle Hague a professional Clinical Hypnotherapist and International lecturer with

The London College of Clinical Hypnosis is focusing her attention on sleep disorders and primary hypertension and has decided to highlight the effectiveness of clinical hypnotherapy and mindfulness to help those suffering with sleep disorders.

The London College of Clinical Hypnosis in partnership with The University of West London train all their therapists to assist individuals presenting with sleep disorders and help them make those important life style changes, that can so seriously affect their health. The British Society of Clinical Hypnosis, which is made up of qualified and professional hypnotists, supports all its members who can help clients to learn techniques to help themselves relax and fall to sleep more easily.

"The findings of this new research are indicative of how important sleep is and the effect it can have on individuals health and well being."

The BSCH is made up of hypnotherapy professionals and is committed to ensuring the highest possible professional standards amongst its members.

Those looking for assistance to stop smoking, weight control, anxiety, panic attacks, habits and phobias may be helped by their local BSCH accredited therapists, look for the MBSCH letters after their name on their websites, or check out your local therapist online at www.bschn.org.uk/Finding.htm. As one of the largest registers of independent Hypnotherapists, the British Society of Clinical Hypnosis (BSCH) is actively involved with the Complementary and Natural Healthcare Council (CNHC) and strives to develop standards for the benefit of the profession, now and into the future.

The London College of Clinical Hypnosis is now teaching new students in Taunton, and enrolling now for the next certificate course, which starts in September if you are interested in the course please contact 01297 20144 and www.lcch-taunton.co.uk

Lyman Design

OBRAY Lyman of Lyman Design is a member of the Guild of Master Craftsmen and takes their ethos of excellent customer service and quality of workmanship very seriously.

Creating fitted cabinetry for awkward alcoves, or designing bespoke contemporary furniture, O Bray truly loves what he does.

He said, "Every piece I make is a reflection of who I am, so I really put my heart into it."

Making effective use of space can be difficult and finding freestanding off-the-peg furniture to fit a particular space can sometimes be impossible.

O Bray will help you with design ideas and sketches and can even do a photo realistic CAD rendering of what the finished furniture will look like in situ.

He works with solid wood, veneered panels or whatever best fits the project, but believes in using sustainable and locally produced timber where possible.

O Bray works on commission but also designs his own furniture.

To see examples of his work visit Apple Tree Galleries in Axminster.

AS ONE DOOR CLOSES... KIRSTY GETS HER LIFE BACK

FOR many years Kirsty Lack was an extremely active outdoor person who regularly volunteered in scouting and guiding activities and was never in the house. That was until she started to gain weight after stopping playing sports on a regular basis. Kirsty's weight bloomed over a period of time until she realised that it was in fact affecting her life in that she had become a bit of a recluse and hiding away at home. She was also suffering with joint problems which ended up with her taking continuous pain relief.

This work/stay at home lifestyle continued until Kirsty noticed that a friend had been successfully losing weight and was then recommended to her local Slimming World group in Honiton. Kirsty said "My friend had lost lots of weight and looked so well with it and he had tried many "diets" in the past so I was inspired to give this a go". This came just after an incident

which occurred at work. I worked in a hospital and when I was at my biggest I was passing through a doorway with a trolley and caught my trousers on a door lock ripping a big hole in the side, and had to hold it shut with a safety pin all day. This was bad enough but what was really embarrassing was the fact that it had happened because I couldn't actually fit through the door!!!

"I had also at this time been asked to be a Godmother and couldn't face the thought of being "big and tired" when trying to play and be a good Godparent so this was the final straw that helped me step into the Slimming World group".

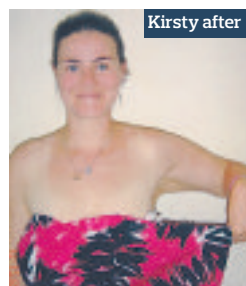

"On that first night I did feel a little self-conscious and embarrassed and thought I would be intimidated in the group, but my fears were all banished as soon as I went in and was greeted by a couple of the other members and my Consultant, Sharon. I felt welcome straight away and there was no judgment of me and my size. I soon realised that we were all there for the same reason and felt at ease straight away.

The group soon became a big part of my life and I looked forward to going every week for my weigh in and to catch up with and support the other members. I soon felt my confidence coming back and now even play a large part in the group by helping out on the social team".

A year on and Kirsty has lost an

amazing 8 stone and is now a target member having set her own target and achieved it. She is no longer reliant on pain relief and there is a vast improvement with her joints. "My aim now is to continue attending the group and to stay in my target, and I know I can do this easily because all I am doing is eating healthily and substantially but with the right foods. My favourite dish is a Slimming World Pizza with lots of veg, and I love melon. I am also happier now as I am once again becoming more active and have the confidence to do all the things that I used to do in the past without worrying about how I look".

Kirsty attends the Honiton Baptist Church group on Tuesdays @ 5.30pm. There are also groups at 7.30pm on Tuesdays and 9.30am on Wednesday. For more information please call Sharon on 01404 41513 or visit www.slimmingworld.com/slimathoniton

Watterson plays a great Fake Jake

IN THE guise of Fake Thackray, John Watterson presents the rise, demise and songs of the late, great, Jake Thackray. Jake's songs are exquisitely funny, satirical, incisive, irreverent, witty and gloriously un-PC – and sometimes all of these at the same time. Jake was a one off; his poetry broke the rules yet worked beautifully. He was a true craftsman of the English language, and his legacy of scores of wonderful songs continues to entertain and delight audiences of all ages today.

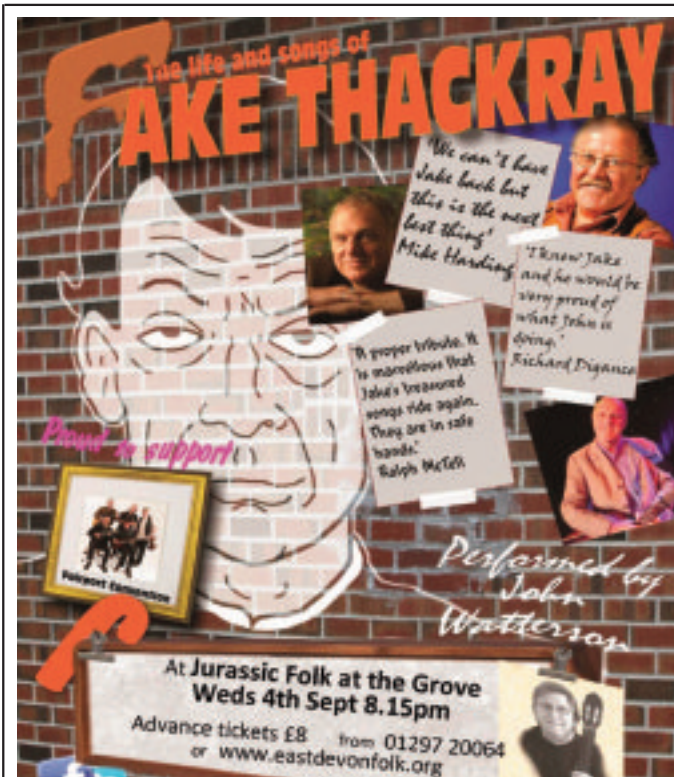

John's appreciation and love of Jake Thackray's music is obvious to his audience. John's performance is a celebration of the man that was Jake Thackray – his life, his work and his genius. John is a talented guitarist and vocalist and has that engaging quality that makes you want to listen to his performance. When you wrap these ingredients up in the songs of Jake Thackray the result is a highly entertaining, heartfelt tribute to one of the finest songwriters of the 20th century. "It is wonderful that Jake still has so many fans across the country, and the younger generation are catching on to a man who should be regarded as one of our greatest national treasures" says John.

John has performed the songs of Jake Thackray at festivals, arts centres, clubs, village halls and – most specially – to members of the Thackray family in Jake's 'local' in Monmouth. He has also appeared on local radio and Radio 3s 'The Verb'.

Earlier this year John toured his show with Fairport Convention on their 6-week nationwide winter tour, and in August, he is delighted to be performing at both Cropredy Festival, and for 20 days in the New Town Theatre at the Edinburgh Festival. He has received accolades from many of Jake's friends and contemporaries, including Ralph McTell, Mike Harding and Richard Digance.

Support on the night will be provided by a newly formed collaboration called Misty

Roses, which combine the undoubted talents of Sue King and Pete Fung, and we are promised something really special in a mix of folk, bossa nova and ballads, including, naturally, Tim Hardin's "Misty Roses" after which the band gets its name. It all happens at the Grove, Seaton, on September 4th with doors open at 7.45pm. Advance tickets, until the 3rd Sept, are £8 from the website or by phoning 01297 20064.

Welcome to the House of Fun!

Testudo Musical Players rehearse 'Our House'

"WELCOME to the House of Fun" will be the greeting from Testudo Musical Players at their

presentation of "Our House" the Madness Musical which they are staging at The Gateway, Seaton

Town Hall from Wednesday 18th to Saturday 21st September.

The show follows the fortunes of a lad called Joe, whom as he reaches his 16th birthday is faced with a moral dilemma... which path will he take? Very cleverly the script is full of humour and pathos based around the popular 'Madness' songs, which will have you dancing in the aisles! The cast features a host of local talent, young and 'more mature thespians' whose effervescence and enthusiasm will set the stage alight!

It really is a show not to be missed! Tickets are now on sale at the Town Hall Box Office, don't leave it too late to book yours! Telephone: 01297 625699

Who is the fairest of them all? (that'll be Lexus)

LEXUS'S commitment to delivering the best service in the business has yielded an excellent result in the latest JD Power Dealer Satisfaction Survey, presented by What Car? Increasing its score on its 2012 performance, it demonstrates that being a premium brand does not mean charging over-inflated prices; in fact Lexus emerges as the fairest manufacturer in the UK when it comes to its workshop charges in the opinion of customers.

That strong value-for-money quality clearly has an impact on its status as the brand owners would most

strongly recommend to others: the survey records Lexus having the highest score for positive advocacy among owners. There's a charm factor at work here, too, with Lexus highly rated for giving "service with a smile".

What Car? reports: "Lexus owners are happier than ever with their dealers, rating them even more highly than last year. They reported seamless, textbook levels of service from the moment they picked up the phone to make a booking, to collecting their car after it had been in the workshop."

"Work was completed on time, cars were returned in

mint condition and keys handed back promptly and with a smile. Customers had no qualms about paying their bills, either, and they rated the network the best in the survey for fair prices.

This result is the latest in a strong summer for Lexus dealers and the brand in general. In July, Lexus was announced as number one automotive brand in the Auto Express Driver Power survey. Later in the month, the same survey confirmed Lexus dealers as the best in the business. More than 46,000 readers and website visitors completed the 2013 survey.

PENINSULA

Division One (West)

Axminster Town 3 Alphonington 1
NEW SIGNING Dan Baily continued his fine start to the season with two more goals as Axminster Town bagged their first three points of the new season with victory over Alphonington.

The Tigers took the lead on the half-hour when Baily pounced to break the deadlock but the visitors were level soon after.

Axminster responded on the brink of half-time when Stuart Broom headed home number two. There was still time for Baily to crack home a skimming free-kick deep into first-half injury time for his fourth goal in two games.

There were no more goals after the turnaround but Adam Cowling was twice denied by the woodwork.

The main flashpoint came five minutes after the restart when Dan Turner and a visiting opponent tangled and both were shown red cards.

AXMINSTER LINE-UP: Brett Garner, Leo Maguire, Andrew Gage, Stuart Broom, Leigh Beer, Gary McAuley, Dan Beer, Danny Galloway (capt), Danny Baily, Dan Turner, Adam Cowling. Subs: Jon Hurford, Dave Bridges, James Salter.

FENITON with Roger Smith

IN the men's over 60s triples league the A team lost on both links to top of the table Morchard Bishop by 28-40.

However, they returned to winning ways defeating St Thomas by 90-60. The winning rinks were L Morris, G Skinner, E Cox and K Lovering 28-11, J Livings, B Halse, R Cooke and A Kury 22-12 and D Morris, L Crook, S Kury and R Veitch 24-20.

This form was continued with a win against local rivals Ottery St Mary by 101-76. The winning rinks were L Crook, E Cox, L Ley and R Veitch 28-12, N Cox, J Smith, R Cooke and I Veitch 24-9, M Evans, J Rolph, E Rolph and R Smith 19-15 and F Jones, B Halse, A Smith and R North 16-14.

SEATON with Linda Stone

THE week began with a visiting side from Carshalton Beeches.

An extremely close fought game ended with Seaton winning 117-110.

Two rinks shared the top spot. Lilian Hurley-Smith, Brian Perriam, Terry Hurley-Smith and George Mabon on one rink and Sylvie Warrick, Keith Richards, Angie Mayhew and Dave Yardley on the other, both winning by 15 shots.

The next game of the week was a 78-90 defeat against Tiverton West End.

Our top rink was Ian Manchester, John Davies, Doug Hislop and Pat Whitworth. Seaton "A" were confirmed as champions of Division Four in the Over 60s Triples League before their match at home to Topsham C on Wednesday, August 21st and celebrated their success with a 45-27 victory.

The top triple was Peter Newton, Ron Rowley and Les Tooze who won by 17 shots.

The final game of the week was a 100-53 home win against Taunton. Top rink was Bob Venn, Margaret Nicholas, Pat Whitworth and Roger Woolland who won 34-8.

AXMINSTER with David Harris

MANY congratulations to our Ladies' triples team of Phil White, Ann Clayton and Marion Harris who won their section final in the County Benevolent Triples Cup.

The team now play Barnstable in the full County quarter-finals on Friday at Torbay having beaten teams from Honiton, Phear Park, two teams from Madeira, and Sidmouth along the way.

In club friendly matches we lost 71-89 at home to Kingsteignton with our only winners being Margaret Brown, David Harris, and Sheila Martin (20-8) before losing 62-86 at Wrington again with solitary winners in Pam Hunter, William Cook, Ken Quick, and Stephen Apsey (26-20).

We then beat Lyme Regis 115-59 at home with wins for Pam Clark, Muriel Smith, Stephen Apsey, and Bob Sherborne (38-11), John Hill, Ken Quick, Ann Clayton, and Marion Harris (31-9), and Joan Quick, William Cook, Howard Keep, and Margaret Crompton (30-12).

A special word of praise for 14-year-old Stephen Apsey who has come on in leaps and bounds this season and has actually got himself into five inter-club finals besides being a member of the

Monday Evening Leagues' winning team.

In the Over 60s County League we narrowly lost 22-18 at St. Thomas (Exeter) despite the efforts of Sid Milburn, Alan Taylor, and Frank Bridge who came from 2-9 down to win 22-18.

Our game against Okehampton was cancelled as they were unable to raise a side.

HONITON with Tony Broughton

THE season is drawing to a close with the Honiton Bowls Club Finals played this weekend.

The ladies have won the Exeter & District League by being equal top with Madeira on 30 points but coming out winners with a shot difference of 55-41.

Joan Heard, Carole Binmore and Sue Evans did well to get to the semi-final of the County Two Wood Triples losing their place in the final to United Services of Barnstable.

Carole and Roger Binmore are still going well in the County Mixed Pairs. Playing at Plymouth they won their quarter-final 22-20 and now go to Finals Day on 14th September.

In the Phear Park Open Tournament our Kieran Daniels (17) became the youngest player since the tournament started in 1925, to reach the final where he came up against Norman Owen in his third consecutive final who just got the better of Kieran.

The weather was kind to us for our Finals Weekend. The Heard Ladies Two Wood Single was played over 21 ends and Sue Evans to beat Carole Binmore 17-12.

In the Denis Lake Under 18 Singles we had an extremely tight match between Liam Crawford (15) Kieran Daniels. Liam held the lead for some time but Kieran fought back to go 20-18 up and with just one shot to find looked all the

Historic Silver medal for Honiton at Thurlestone

AXE CLIFF with Janet Dack

SENIORS

ON Friday last the team travelled to Wheathill and narrowly recorded their second away win of the year by 3½ to 2½.

Winning pairings for Axe Cliff included Peter Knighting & John Mant, Tony Strong & Malcolm Glass and Chris Walker & Peter King. The half point was won by Rob Heard & Bill Polley. Axe Cliff were grateful to Peter King, a Wheathill Senior, for filling in for the sick Jack Bannister.

We wish Jack a speedy recovery and thank Peter for his contribution in beating his own team!

The Veterans' Cup, a summer handicap knock-out event was won this year by Peter Rrollson (15), beating Chris Jowett (16) in the final by 3 and 1.

Although Chris built up an early lead, Peter came back to win with some fine driving and sound putting.

Back in April at Axe Cliff a Stableford Competition in aid of Cancer Research determined who would represent the club in the Regional Finals at Padbrook GC, one of 10 venues staging this event throughout the country.

Thirty six members took part but the winner on the day Roger Hill (18) was unable to play on the selected day (August 12th).

Runner-up in April, Tony Strong (9) was requested to fill the vacancy and not only did he don the mantle but he carried the day with a score of 36 points, winning the right to go forward to the National Finals to be played at the Workshop and Notts. Golf Clubs in late September.

Unfortunately due to pressing surgery Tony will be unable to take part which is hard luck after such success.

MAIN CLUB

PRIZE winners on Captain Basil Dean's Day held last Sunday were as follows.

First place went to Dougy Board with 39 points way ahead of the rest of the players.

Second prize went to Dan Taylor, third was Alan Kenworthy and in fourth was Richard Gibbons all with 35 points.

Mike Cottam won nearest the pin and the longest drive with Anthony Hellier winning the prize for the longest drive in two.

There was only one two achieved by Richard Gibbons who kindly donated his winnings to Basil's Charity the Devon Air Ambulance Trust.

HONITON with Andy Wagner

R.A.F.A. OPEN

HONITON has a long tradition of hosting the R.A.F.A. Charity Open and the event is invariably well attended.

Like the Pro's Open two weeks before we were searching the skies for indications of what the conditions would be like. As it turned out the weather was exactly as two weeks before with the early starters getting through before the mid day torrents.

And as two week's before I was lucky enough to capitalize on one of those early starts. I know these reports seem to be all about me but what can I do if I win the competition!

Admittedly I had a very able partner in John Tierney who came in with four-point birdies of his own but our round felt as if we could do no wrong until we completely messed up the 17th for a glaring 'blob' on our card.

We thought in that moment that we had thrown the whole competition away right there.

But the midday downpour and changing

winds kept the rest of the field at bay leaving John and I in first place with 44pts ahead of Mike Williams and Chris Baker 43pts and talented junior Max Nield partnered by Mark Smith 41pts.

The Charitable side of the day went very well for the Association and we're already looking forward to hosting next years game.

TUESDAY MIXED

THIRTY members took part in the annual Steele Perkins competition played this week - individual Stableford - played in two's - mixed.

This year's winner was Club Vice-Captain Ron Graham with an excellent score of 39pts.

In 2nd place was Tricia Swindell 38pts, 3rd was Catherine Doherty 36pts. Just two 2s were recorded - Club Captain Dave Morgan on the 10th and Elizabeth Ward on the 12th.

LADIES SECTION

THE outcome of this week's Del Cup was a close run thing with Tricia Swindell overall winner of the two matches with a combined score of 72 Stableford points, just a point ahead of runner-up Sarah Loader with 71 points.

Tricia also took 1st place in this month's Stableford Silver Division with 36 points, while Sarah was 2nd with 34 points and Jackie Seager 3rd with 32 points.

In Bronze 1 Division Linda Blundell took 1st place scoring 34 points, with Linda Northover close on her heels in 2nd place on 33 points and Lesley Oxenham in 3rd on 32 points (c/b).

The winner of Bronze 2 Division was Susan Hyde with a very convincing 39

points, followed by Jan Lloyd with 35 points.

The nine-Hole competition was won by Catherine Hunt with 20 points and Linda McLaughlin was 2nd place with 17 points.

SENIORS SECTION

EIGHTY FOUR seniors contested the Longhurst Cup which is played in teams of three with only one score to count.

The team of; Keith Crane, Norrie Fleet & Tom Tunnicliffe won with 47 stableford points - mainly due to Tom's excellent performance. His name is on the trophy from last year, too.

Runners-up Vic Wood, Bill Phillips & Ashley Murray scored 45 points and third spot went to Max Pipe, Jack Phillips & John Foster on 44, separated on countback from Dave Maggs, Peter Blake & David Coombs. All the prizes were bottles of wine, and the event raised £100 for the Save the Children charity.

PA LAIRET COMPETITION

CAPTAIN Barry Dunn lead Honiton Palairiet team to the Finals day at Thurlstone on Sunday.

In the morning semi-final we were drawn against a very competitive Torquay side but managed to play through to a 3x2 success.

The afternoon final was to be against Tavistock but already our team had got further than we ever had before.

Whether these heady heights affected the players mentally we'll never know, but Tavistock ran out 4-1 winners leaving Barry and the team with the Silver Medal.

Congratulations to them all for another impressive landmark in the club's team history.

Runners denied by on-time train!

AXE VALLEY RUNNERS with Dave Mutter

ALEX Todd took it easy on Saturday for a change, letting Garry Perratt and Matt Clist do their thing by running **Dartmoor** from top to bottom.

They began at the northernmost gate onto the moor at Tor Down near Okehampton and finished 29 miles and four hours 48 minutes later at the southernmost gate near Ivy-bridge.

They destroyed the previous best time (set by Garry and Patrick) by an hour and a half but this wasn't due so much to running faster as to some better route choice and much less jollyng around!

The first 20-something miles were fantastic but the last half dozen, down a stony old tram line, were not pleasant with tired feet and little cushioning on their shoes.

HONITON RC with Judy Davey

HONITON Running Club's Stephen Boyes ran the **Salisbury 54321 Trail Marathon** on Sunday, August 11th.

His time was looking good until the 20-mile point when he followed three other runners who had gone the wrong way - with no marshals and just a few arrows, this was almost inevitable.

This added two more miles giving Stephen a finish time of 4 hours 9 mins and recording a distance of 26.9 miles!

Honiton Running Club was well represented at the Dalwood Fayre 10k multi-terrain race on Wednesday, August 14th.

Weather conditions were near perfect and there wasn't too much mud to be found.

The race was won by Tim Lenton of local Axe Valley Runners in 40 minutes 1 second.

First in for Honiton was Chris Entwistle who came 4th overall in 43:55. This was his first time running the race as it was for Honiton's next finisher, Alisdair Moffett in 57th place in 45:07. Steve Davey followed in 8th place in 47:48 and Tom Borner is running very well to finish just after in 48:20 and one place later saw Richard Harvey in 50:24.

Suzanne Spiller finished just two seconds later as 1st lady winning a bottle of wine. Howard Bidmead had a great run to finish 14th in 51:34.

Judy Davey and Mark Andow ran pretty much the whole race within metres of each other and there was a great battle for the finish line. Time keepers couldn't separate the two giving them 18th place in 52:41.

Esme Wilson had a great race finishing two places later in 54:43 followed directly by Ross Penwill just seven seconds later and Steve Briggs 16 seconds after him. Mark Dal-

lyn couldn't get his head or legs round this race at all finishing 26th in 56:03 just ahead of John Burgess in 56:27 and Tim Wigram in 56:52.

Linda Pike loves this run and finished strongly in 37th place in 1:04:50 followed by fellow lover of the race, Pete Lyus in 42nd place in 1:06:15.

Kathy Layzell enjoys this sort of challenge and came 46th in 1:08:30 closely followed by Carol Turnham in 48th place in 1:11:33.

Entries were low this year with just 50 finishers enjoying the delicious curry and chips upon their return.

Six Honiton Runners went a little further afield to Snowdonia in Wales on Saturday, 17th August to take part in the 30th Annual **Race the Train** from Tywyn to Abergynolwyn Station and back again.

This is a very popular event with four races on offer competing against the steam train and all Honiton runners chose the longest being 14 miles of undulating off road running.

Runners are set off at the same time as the train and run beside the railway line sighting and hearing the train several times.

Unfortunately, none of the Honiton runners actually

managed to beat the train although Steve Davey was tantalisingly close. The train recorded a time of 1:48:07 and Steve's time was 1:48:49.

Bruce Strawbridge was next back finishing in 1:55:35. Judy Davey and Howard Bidmead had run the race within spitting distance of each other for most of it and their positions changed several times.

Judy eventually got the better of Howard although she was slightly disappointed to have missed out on recording a time of under two hours by just 16 seconds.

Howard's time was 2:01:32. Clare Melbourne made it a family affair with her brother and sister-in-law also taking part.

She was the only one to have completed two races that day as in the morning she had run with her niece to complete the Toddlers' Trot. She finished in 2:29:07 with her brother managing to beat the train by an amazing nine minutes.

Tracey Strawbridge completed the Honiton line-up coming just outside the three hour mark in 3:02:21.

The weather conditions were awful with driving rain and a strong wind blowing against the runners but the race had a bigger than usual field with 935 runners taking part.

Sidmouth denied historic third cup win

REIGNING CHAMPIONS Sidmouth CC 1st XI moved up to second in the Devon Cricket League Premier Division with a convincing 67-run win at the Bovey Tracy Recreation Ground on Saturday.

Sidmouth batted first and, despite the loss of Matt Cooke for a duck in the first over, put in a solid performance with the bat.

Liam Lewis and Anthony Griffiths added 80 for the second wicket before Lewis was clean bowled for 47.

A mini-slump saw the visitors reach 134 for 4 before Griffiths (89no, 11x4 2x6) and Luke Bess (47no off 46 balls) put on an unbroken stand of 105 as the visitors closed on 239 for 4.

In reply Bovey were going well at 74 for 1 before Devon skipper Josh Bess tore the heart out the middle order with a devastating spell which yielded three wickets and the run out of key man Neil Hancock without a run being added!

The hosts were eventually dismissed for 172 in the 46th over with Bess ending with 3 for 43 from his 10 overs and two wickets apiece for Scott Barlow (2-13), Will Gater

(2-19) and Matt Cooke (2-14).

With one game now remaining Sidmouth 2nds closed the gap on leaders Exeter at the top of the 2nd XI Premier division with a 65-run triumph over visiting Bovey Tracy.

Sidmouth posted 233 for 9 with Matt Hewer once again in-form with the willow striking a fine 87.

The key partnership in the innings was between Hewer and Dom Bess who put on a crucial 111 for the second wicket.

The Bovey reply began in disastrous fashion with two early run-outs.

Charlie Dibble then took centre-stage with a burst of 5 for 16 as the hosts were shot out for 168.

On Sunday Sidmouth 1st XI went into the their Devon Senior Cup Final clash knowing that they could make history by becoming the first team to ever win the trophy three times in succession.

Opponents Exmouth, looking to lift the

trophy for the first time in 39 years, had first use of the track at Plymouth CC and took full advantage as they reached 275 for 4. This proved far too many for Sidmouth who fell well short on 180 all out.

Honiton 1st XI bagged a welcome 20 points with a two-wicket win over Halberton & Sampford Peverell.

Halberton were bowled out for 231 with Kevin Kelly claiming 4 for 31.

In reply Pete Matravers cracked 71 not out as Honiton edged home at 219 for 8.

Already relegated Honiton 2nds (121) were thumped by 136 runs by visiting Exeter 3rds (257-5).

Unbeaten 50s from A Thurgate (59no) and S.Lynch (57no) helped Ottery St Mary to 246 for 6 and a 40-run win over Plymouth Civil Service who could only reach 206 for 8 with Zac Johns taking 3 for 45.

Ottery 2nds completed a win double for the club with a super-quick win over Plymouth Civil Service.

B.Rudolph took 3 for 8 as Plymouth were blasted out for just 69. The Saints reached their target for the loss of just two wickets.
